

Pottery Parties

Pottery painting is suitable for all ages and abilities and is an excellent party idea.

Our parties can be tailored to suit your child's age and interests.

The following are examples of parties and prices:

- * Our parties include one piece of pottery per child.
- * The birthday child also gets the choice of a mug or plate with all their guests thumb prints and signatures on it.
- * Each guest gets a drink and biscuit.
- * A party host will coordinate your party.
- * Parties last minimum one and half hours.

Basic party range example:

£120 for 8 children,
